

ADVANCED FIRE PROTECTION SERVICES, INC

INVITES YOU TO JOIN US AT OUR FORT WALTON BEACH OFFICE

THE TYCO VALVE DEMO UNIT

JAN. 24 2007

PLEASE RSVP BY 1-15-07 bob@wesavelives.com

This is an excellent training opportunity for Inspectors and Fire fighters. All types of dry, pre-action, alarm, deluge valves will be DEMONSTRATED. They can take up to 10 people per session and each session lasts about 1 hour.

Available times will be determined based on participation. Set your Department up TODAY! This is a RARE opportunity!

Not sure what the Tyco Valve Demo Unit is?

Go to www.tyco-fire.com and click the "Valve Demo" link.
